

Application / Liability Waiver

Thank you for considering being a part of the Momma’s Organic Market family! We are so happy to be working with great, local vendors to promote their products and services! We understand that there are a lot of events to choose from and we are lucky to have you on board with us to share our vision and bring customers to know your business! Please make sure that you let us know what type of business you have and ALL the products or services you would like to promote! **We try to limit competition as much as possible** and there ARE certain vendors that we are not contracted to allow. So before you can set up at the market, we need to approve your business. We would hate to have to turn you away when you are there at the market, ready to set up. So please contact us before filling out the application! Booth spaces are assigned, so if you have special requests or needs, please let us know prior to arriving so that we can assign the best spot for you.

We look forward to being able to work with you and help you promote your business!
